

Congressional Reports Overview

DOT&E prepared eight Beyond Low-Rate Initial Production (BLRIP) reports and one Live Fire report for the Secretary of Defense and Congress between October 1, 2007, and September 30, 2008. Four of the summaries from these reports are included in this section. Five are not included due to classification issues. These are the Mk 48 Mod 7 Common Broadband Advanced Sonar System (CBASS) Phase 1 Torpedo, Stryker Mobile Gun System, High Mobility Artillery Rocket System (HIMARS) with the Improved Crew Protection (ICP) Cab, SSGN *Ohio* Class Conversion, and Joint Chemical Agent Detector reports.

DOT&E prepared three Early Fielding Reports. Two of the summary letters are included in this section. One is not included due to classification issues. This is the SSN 774 *Virginia* Class Submarine.
